How our awards are calculated: **1.** Winners must be Glanbrook members by the day of our first show. **2.** Normally attendance at 3 of our 4 shows are required. The exception has been the past two years with the September Championships where participation in only two of our three shows was required. **3.** Bronze and Silver riders are grouped together except in Training where there is a JR category. **4.** Number values are given to placings at all shows attended – 1st place = 6 points, 2nd place=5 points etc. **5.** Points are totaled to determine top 3 riders at each level with Gold, Silver and Bronze medallions and prizes awarded according to points earned. Cadora Silver Championship scores are not included.
