Location: Kristy Barber's PenBar Farm

3047 Powerline Rd W, Lynden, ON

Glanbrook CADORA is hosting a riding clinic at PenBar Farm, with Jill Stedman. A renowned coach and accomplished equestrian. It will be an ideal opportunity to work on elements of your test that have been problematic, so you can improve your skills and show marks. All levels of dressage are welcome. For insurance reasons, riders and auditors are required to have a current OE membership and riders also must have a Glanbrook membership. Lessons will be 1 hour in length and space is limited. There are no on-site stalls available.

Cost is \$125 for riders and \$10 for auditors (\$25 for auditors that are not Glanbrook Members). A light lunch, snacks, and drinks will be provided at no extra cost. Please complete the application form for riders and auditors.
